If the certificate is based as it should be, on vouchers then maintainance of a log book is a necessity, not for audit but in the interests of the Mayor and the corporation themselves. The maintainance of a log book is a necessity and should have been agreed to with alacrity. It has to be maintained and produced along with connected vouchers for audit when called upon.

SIR

I write to state that the Corporation Engineer has submitted certain bills as detailed in the enclosed list, which have been received from the various firms The bills relate towards cost of petrol, repair charges and spare parts supplied to the Mayor's car As the sum of Rs.300/- p m earmarked for the maintenance of the Mayor's car is fully spent, the sanction of the Corporation and Government is necessary

The Standing Committee (Taxation & Finance) before whom this was placed for consideration have at their meeting held on the 31st December 1951 recommended payment of this amount, but the sanction of the Corporation could not be obtained as that body is not transacting any business of late

As the firms are pressing for payment of these bills, which are long over due, I request that the Government may be pleased to accord sanction at an early date I am in the meanwhile requesting the Corporation Auditor to pass these bills in anticipation of Government's sanction

The cost can be met out of the Budget allotment under

Sir,

With reference to your letter no B 3 P R 6/52 dated 23 5 52 forwarding for Secretary Restoration dated 14 5 52 that Corporation approve the payment of bills aggregating Rs 150-0-6 towards Repairs to the Mayor's Car, I am directed to invite reference to this office letter no L 603 dated 9 4 52 calling for certain and further particulars with regard to previous bills on this account aggregating to Rs 1,277-2-0 and to request that the reply thereto may be expedited. It may also be noted that

When their bills for Rs 150-0-6
have been excluded in the previous claims
referred to above

I am to observe in this connection
that a new car has been purchased
for the Manager only recently and a General
allowance of Rs 300/ p m has also
been sanctioned for the maintenance
of this vehicle. The expenditure incurred
about Rs 1400/- on repairs of this
car as seen from the several bills
sent for sanction from time to
time during this short period
appears to be rather high

Sir

I rite to state that the Auditor, Bangalore Corporation issued an Objection emo to the Commissioner of the Corporation when the petrol bills of the ayor's car ere presented for audit to the effect that a Log Register may be maintained sho ing the journeys performed daily to facilitate verification that the trips made were for the bonafide purpose of the Corporation ith reference to this, the Commissioner in his letter No A1 R 7/50 dated 2nd September 1950 addressed to you stated that the trips made by the ayor are varied and unforeseen, that as the first citizen of the Corporation he should not be subjected to these technical formalities and that a certificate on the bills to the effect that the petrol has been used for bonafide purposes of the Corporation is enough to satisfy audit requirements Government in their letter No L 12-100/C 1 1-30-44 date 24th February 1951 while sanctioning an expenditure of R 300/- per mensem ards the maintenance charges of the Mayor's car did not pass any orders on the question of the maintenance of the Log Boo referred to by the Commissioner

3561/M

2 The Auditor again wrote to the Commissioner in his letter No 111/C A 51-52 dated 7th June 1951 (copy enclosed) that specific orders of Government doing away ith the need for the maintenance of Log Book in the case of the ayor's Car may be obtained since the maintenance of the Log Book was not adhered to The Commissioner in his letter No G1 2217/51-52 dated 16th June 1951 addressed to the Auditor (copy enclosed) has stated that it does not loo reasonable to insist on the mainterance of a Log Book by the Hon'ble ayor nor necessary to take the specific sanction of Government exempting the Mayor's Car from the maintenance of the Log Book as the letter of

Government

Government dated 24th February 1951 adverted to above was unconditional A perusal of this letter does not furnish any indication as to whether the maintenance of a Log Book could be dispensed with in this particular instance As the car is the property of the Corporation and is placed at the disposal of the Mayor for Corporation work and the cost of maintenance charges including that of propulsion is a charge on the Corporation Funds a Log Book has to be maintained just as in the case of the other Corporation Vehicles It is seen from Para 1043 of Madras Corporation Code, Volume I (1941 Edition) that in the Madras Corporation a Log Book is maintained for the Mayor's and Commissioner's Cars, among others, and it is not clear what valid objection there could be to the maintenance of similar books in the case of Bangalore Corporation After all, the Log Book is expected to be maintained by the concerned officials of the Corporation in the usual course as in every other case and is meant among other things to enable the checking of the petrol bills coming up for audit

3 I request that orders of Government may kindly be obtained regarding the maintenance of a Log Book for the Mayor's Car At present petrol bills are being passed on the strength of a certificate by the Mayor that the petrol was used for bonafide Corporation purposes A specimen form of the Log Book to be adopted is herewith enclosed for approval

Yours faithfully,

Controller 1955

Subject - Mayor's Car

In reply to your letter No 111/C & 51-52 dated the 7th June 1951 I write to state that the letter of the Government No L 12100/C M 1-50-44 dated the 24th February 1951 (copy communicated to you) is unconditional The approval is to the effect that the Corporation saloon car may be placed at the disposal of the Mayor and an expenditure of Rs 300/- be incurred towards its maintenance exclusive of the pay of theDriver and cleaner In case the car goes out of order and a taxi engaged for the Mayor, it is settled that the hire charges of the taxi also should be met out of the said sum of Rs 300/- The Government have conveyed their sanction for this also In the circumstances,it does not look reasonable to insist on the maintenance of a log book by the Hon'ble Mayor, nor necessary to request the Government for a specific sanction presuming that the Government have overlooked this point while conveying sanction

Subject - Maintenance of log book for the Mayor's Car

I write to state that no log book has been maintained for the Mayor's car It was suggested in your letter No Al R 7/50 dated - 2-9-1950 addressed to the L S G Secretary, that the Mayor should not be subject to the technical formalities required by audit in connection with the passing of petrol bills and that a certificate from the Mayor to the effect that the petrol was used for bonafide Corporation purposes may be considered as sufficient Orders of Government have not been passed on this point I request you to obtain specific orders of - Government exempting the maintenance of a log book for the Mayor's Car
